

# SYNC-D300

Cassida<sup>®</sup> PRO

## Advanced Deposit System for Secure, High-Speed Cash Handling

Scan Me

### Fast, reliable, secure note validator

The SYNC-D300 Deposit System combines reliability and physical security in a compact form factor optimized for high-volume cash environments. Whether used beneath a POS counter, inside a kiosk, or integrated into a complete CassidaPRO SYNC solution, the D300 automates cash intake, protects deposits, and simplifies end-of-day reconciliation.

### Key Features

Stacker case for up to 300 notes

Heavy-duty steel housing with anti-drill lock

Secondary locking on the stacker box as an option for enhanced security
